OFFICE OF LEGISLATIVE COUNSEL

Thursday - 13 June 1968

25X1 1. [] Tom Latimer, an OCI Congressional Intern in the office of Senator Robert Griffin (R., Mich.), called on behalf of the Senator to inquire whether the Agency could furnish overt material for a speech on the kind and quantity of military aid from Czechoslovakia to North Vietnam. After checking with []'s office I informed Latimer that we have no material suitable for this purpose. 25X1

25X1 2. ([] - CEA) Attended a hearing of the House Subcommittee on Manpower and Civil Service at which Mr. Macy was the witness on S. 1035. See memorandum for the record.

25X1 3. ([] - CEA) Talked to Frank McNamara, Director, House Committee on Un-American Activities, who had two names on which he wishes a check.

In a subsequent conversation, I noted I had attended the hearing on S. 1035 and the fact that we had previously discussed this bill. McNamara was very much interested and I provided him with our principle objections to the bill. He said he would get a copy of the bill and call it to the attention of the members of his Committee with the thought that they can organize opposition to the bill among their close associates in the House.

25X1 4. ([] - CEA) Maria Cruickshank, in the office of Senator Harry F. Byrd (D., Va.), called to inform me they have a letter from a constituent which Mr. Forrest Rettgers, in their office, would like to discuss with one of us. I made an appointment to see Mr. Rettgers at 11:15 a.m. tomorrow.

25X1 5. [] Met with Mr. James Wilson, House Science and Astronautics Committee staff, and briefed him on the current intelligence item relating to the Soviet space program and possible new Soviet intermediate and medium range missiles. Mr. Wilson was most appreciative and indicated that he would brief Chairman Teague on the new activity in the Soviet space program as soon as he could get with him.
